SCDXC Minutes of Meeting, November 12, 1981

The meeting held at the DWP opened at 8:20 PM by Pres. Tom Hoyne, N6NI. Among the guests introduced were PY1ZAE and ex-PK1MJ.

1. Door prize for the evening: two PL units, including installation. Ron Camp, K6EVR, had PL units for sale at the meeting for $22.00 plus tax. Installation can be arranged at a cost of $15.00 per unit. Tom, N6NI, explained the reason for installing the PL on the repeater.

2. Jay Holladay, W6EJJ, southwest division director ARRL, announced that the FCC plain language proposal had been terminated with no further action proposed; Present rules remain in force. The Goldwater bill calling for RFI relief; amateur licenses good for ten years; FCC use of volunteers for monitoring of violations of the rules and to administer entrance level examinations among other provisions, passed the Senate but is stalled in the House of Representatives. Amateurs are requested to write to their congressman asking them to support all the amateur radio provisions of this bill identified as S.929. Further information including a printed summation is available from Jay.

3. A listing of the number of current DX countries worked by individual members will be published in the Bulletin. Members are asked to send in their score.

4. Neil, K6SMF, said that the first SCDXC award for working 25 club members was won by Dr. Dave Morgan, K6DDO.

   The meeting adjourned from 8:45 until 9:08 at which time it resumed.

5. Tom, N6NI, announced that badges for some new members were received and could be obtained from Irv Emig, W6GC. He also solicited volunteers for several editor's jobs for the Bulletin and for a club secretary for the coming year. The DX advisory committee will recommend that Kamaran Island, VS9K, be deleted from the current ARRL country listing. CQ WW DX contest sheets are available, one per person.

6. From 9:15 until 9:56 Jim Nelger, N6TJ, showed slides, played some tapes and spoke about his 15 months spent at Ascension Island as ZD8Z. The program was interesting and well received.

7. It was announced that Roger Ulsky, 6700 Independence Ave. #312, Canoga Park, CA 91313, has IRC's for sale at 30¢ each, N6QQ, John Schroeder, also has IRC's for sale at 30¢ each. K2RPZ will print QSL cards like the old club cards for $38.00 for the first thousand and $37.00 for succeeding thousands. See Irv Emig for more information.

8. PY1ZAE made the drawing for the door prize which was won by W6HT, Tom Orr.

The meeting was adjourned at 10:16 PM.

Perry Esten, W6PN
Secretary

Also, a Rohn 40G tower 62 ft with erection fixture, CDR-Ham-M-Rotor, 3 ele wide-spaced 20 mtr ant, all hdwre stainless steel, 100 ft RG8A/U coax, 100 ft power cable - $275. extra 10 ft 40G section available.
Call Hal Humbrock, W6BUO, 4244 Baldwin Ave., Culver City, 213-391-0244.

FOR SALE

IRC's. No minimum quantity. 30¢ each. Phone Roger Ulsky, 6700 Independence Ave., #312, Canoga Park, CA 91303, 213-887-2458

HELP WANTED - Bulletin Editor and Assistant Editors

This is the last issue of the SCDXC Bulletin to be published and distributed by Art Munzig, W6PYV, and Dick Reimer, W6ET, for reasons stated in the November Bulletin. We are looking for 6 good men who could spend several hours a month to keep our Bulletin going. The following positions are open:
Editor-in-Chief - collect reports from Asst. Editors and assemble into a standard format.
Ass't Editor - Personal Profiles
Ass't Editor - DX Calendar
Ass't Editor - Activity Reports (reports of DX worked)
Ass't Editor - Club Activities
Ass't Editor - Distribution

I want to thank all of you who have contributed to the Bulletin during the past two years. My thanks and apologies to WB6VTE, WB6DAD, W6MUL, K6DDO, and W6BCQ who contributed DX Activity Reports for this issue but which will not be published due to lack of time to do so. Our offer is still open to assist the new crew in getting started in the above jobs. Thanks again, and vy 73

de W6PYV SK

19 Year Flashback

Here is some of the monkey-business going on in the January 1963 issue of the SCDXC Bulletin. Recognize any of these young kids?

MAYHEM IN THE HILLS
OR
IS CUEVAS LOSING HIS TOUGH?
Pix and story by Roger Mace, W6RW

Frank Cuevas (outgoing president of SCDXC) would like to know how come W6RW got beat on 14mc. by K6EVR in the last CQ DX Contest (1962). You see the reason Frank is so concerned is that he was manning the 14mc. position at W6RW during the contest. After all, Frank is no novice when it comes to chasing DX. Back in 1947, when Frank was president of the defunct Metropolitan Radio Club, he was relaying messages between a raft called Kon Tiki and it's home base in Sweden. He thought he had the loudest signal from W6 and was the best CW operator, even in 1947. I can't say he was wrong, either. He was at W6YMD's place when they took first place in W6, and they were only running a bunch of Collin's 32V's, that was the ARRL DX Contest in 1955. W6AM's rhombics has felt the pulse of his rthymic code, when Frank was a member of the "Team", and W6AM made quite a few first's. Now, the other operators at W6RW felt Frank was not up to his usual par-excellence operating in this particular contest and threatened to push him over the cliff and beat him with stones if he didn't perk up a bit. But even this didn't seem to help the poor OLD OM. Actually it may be that Frank is not slipping at all, you see, he didn't show up for the contest until about an hour and a half after it had started. When he came in he mumbled something about the narrow dark roads in these blankety blank hills. Guess he made a left turn and got lost on the wrong hill top. This sort of thing is enough to shake a body up for a whole contest. Anyhow, Frank had to leave Sunday noon to jet back East somewhere, and who knows what happened after he left. Oh, Well. There's always next year!!

SOUTHERN CALIFORNIA DX CLUB
Meeting Notice
January 1982

President: Tom Hoyne, N6NI
Vice President: Steve Orland, AA6AA
Secretary: Perry Esten, W6PN
Treasurer: Irv Emig, W6GC

Director: John Browning, W6SP
Director: Jim Stevenson, KM6B
Director: Dave Gardner, K6LPL
Director: Neil Kaltman, K6SMF (Membership)

Meeting Announcement

Thursday, January 14, 1982 - 7:30 P.M.
Department of Water & Power Cafeteria
111 N. Hope St. -- Downtown Los Angeles

Program: (90% firm) Giampaolo Forti I2FGP will speak and show slides about his recent travels to Somalia (60lFG) and Iraq.

There will be a door prize drawing.

Also, the yearly nomination and election of club officers will be held. Our nominating committee has come up with the following slate:

President; Jim Stevenson, KM6B
Vice President: Neil Kaltman, K6SMF
Treasurer: Don Moses, W6UY
Secretary:

Membership Chairman: Bob Cobb, W6CN
Director: Bill Mattil, NC6T
Director: Lee Graves, WB6VTE
Director: Jan Perkins, N6AW

Note: The outgoing president serves as a director for the following year.

As can be seen, the office of Secretary is open. All members hould consider which club members should be nominated for this and other club positions. Please obtain approval from the member before placing the member's name in nomination.

A motion has been presented to the Board of Directors reducing club dues from $12.00 to $9.00 per year. This will be discussed at this meeting and voted on at the February meeting. The reason for this motion was that a bulletin can be produced on offset printing for $6.00 per member per year. This leaves $3.00 per member times 300 members for a total of $900.00 to go into the general fund. Cups and awards are paid for by earnings from the spring convention for two years. DXpedition money and repeater expenses have been raised by "hat-passings" at the various meetings. Sixty-eight 1980 club members did not pay the $12.00 dues in 1981 when they were raised from $7.00. It is felt that $9.00 dues are adequate for club expense, and will be more palatable to the membership.

The SCDX Club two meter repeater (144.88 MHZ in, 145.48 MHZ out) has been on private line almost full time for the last several weeks. Initial indications were that P.L. participation would have been greater by now than it has been. Anyone needing help in obtaining or installing P.L. encoders contact one of the following:

Ron Camp, K6EVR (945-2908)
Henry Radio - West L.A.- Jack Somers - 820-1234
Henry Radio - Anaheim -
Ham Radio Outlet - Van Nuys - 988-2212
Ham Radio Outlet - Anaheim - 860-2040

or
Dick Reimer, W6ET 670-5486

Roy Tucker, N6TK conducts a very good DX-Roundtable-of-the Air on the club repeater at 7:30 P.M. on Thu rsday nights (except club meeting). To keep up with the latest hot DX dope, tune in for this. Also, save any DX news that you hear during the week for contribution. This can help make up for the lack of a club DX Bulletin if everyone participates.

It should be reminded at this time that we have no DX Bulletin editor and staff --hence no DX Bulletin. This can be a fun project and volunteers are needed and appreciated.

1982 INTERNATIONAL DX CONVENTION

At the Holiday Inn Visalia / Friday-Saturday-Sunday April 16-17-18. The usual star-studded list of top DXers plus many more! Start making plans for this now. Larry Brockman, N6AR and his committee are putting together a convention you won't want to miss. Phone the Holiday Inn at Visalia for reservations 1-209-733-9000. Give them a credit card number to firm them up in case you have to arrive late. Be sure and mention that you are with the DX Convention.

this is the Holiday Inn at Visalia Airport. There are 2

Don't miss this BIGGY!!

From the Thursday night two meter DX Roundtable:

Albania, ZA2HAM. Everything should be firm for EA8AK and EA2HW to be on from there the last week of January and the first week of February.

St. Peter and St. Paul Rocks, PY0. Next week!

Maldives. 8Q7. DK3QJ is going there for 2 weeks. He was heard from 4S7 on 7002 KHz.

Crozet, FB8WG. Now on. Heard on 14006 and 14015 at 0300Z to 0400Z.

Iraq, YI1AF. 28670KHz at 1330Z.

Sovereign Military Order of Malta 1AØKM, cards may be submitted as of January 1, 1982 to the ARRL DXCC desk. This INCLUDES Honor Roll members. For clarification see Rule 5 of DXCC rules.

Also it was incorrectly reported in World Radio that special mode QSLs (phone, CW, RTTY) must indicate 2-way contacts, This is not true. They must NOT, however, indicate cross mode contacts.

The above learned from Don Search, W3AZO, in telephone conversation of Jan. 8, 1982.
